
2018-19 SCHOOL SUCCESS PLAN

OUR VISION

Countless Possibilities, Limitless Potential

OUR MISSION

We build a better tomorrow by cultivating the academic and technical skills that prepare our students for success in their chosen pathways.

2018–19 SCHOOL SUCCESS PLAN GOALS

Goal #1: Disciplinary Literacy (High Impact Instruction)

Students will perform at or above grade level and/or achieve learning gains on state assessments in response to sustained, coordinated efforts to increase students' literacy skills school-wide.

2018–19 SCHOOL SUCCESS PLAN GOALS

Goal #2: Technology Integration (High Impact Instruction)

Student absences and course failure rates will decrease as a result an increase in student engagement due to sustained, coordinated use of blended technologies school-wide.

2018–19 SCHOOL SUCCESS PLAN GOALS

Goal #3: PLC Development **(Data-Focused Decisions, Collaborative Culture)**

Graduation rates will increase as a result of improved tiered student support systems developed through ongoing collaboration in professional learning communities.

2018–19 SCHOOL SUCCESS PLAN GOALS

Goal #4: Parent/Family Engagement (Collaborative Culture)

Parent engagement will increase through improved communications and increased collaboration with our families.
