Wendell Krinn Technical High School Family Involvement Plan: We believe in the importance of a partnership between home and school for the education of our students. We will maintain open communication with newsletters, planners, phone calls, streaming informational videos and parent/teacher conferences. We will attempt to communicate in a language parents can understand and make parents more aware of the services offered by the Florida Parent Information and Resource Center. Parents and other family members are encouraged to participate through family events, volunteering and mentoring. By working together, we will make a difference in the lives of our students. This compact is an agreement designed to promote a partnership between the home and the school, which meets the requirement of the Title 1 Federal Guide.

As a family we will:

- _____ ensure daily attendance for the entire school day from 7:20 AM to 2:15 PM (see also MTC Attendance Contract)
- _____ communicate regularly with your student(s) regarding his/her progress in school
- _____ understand the program that my child is a part of and the requirements and expectations of that program
- _____ communicate regularly with school personnel, and access myStudent on a regular basis
- _____ support the school in developing positive behaviors including reading at home
- _____ support classroom learning through volunteering or mentoring at school and/or at home
- _____ support completion of all class work and homework assignments
- _____ attend quarterly parent nights and student recognition events

A goal that I have for my child this year:

As a student I will:

- _____ come to school with a good attitude, ready to learn
- _____ complete all homework and class work
