Dr. Chris Dunning, Principal

Assistant Principals: Debbie Painter Eric Williams

August 26, 2019

Dear Parent or Guardian,

I am pleased to announce that KTech will offer extended school day program (ESD) programs this school year. Programs include academic tutoring, grade repair, and credit recovery, as well as enrichment events involving crafts, clubs, aquaponics, experimental design, and intramural sports.

Your child has been selected to participate in our ESD programs based on: _____

Our ESD programs will be held Mondays and Wednesdays from 2:30 until 4:30 p.m. beginning on Sept. 4, 2019, and ending on May 18, 2020. This program is entirely free, and bus transportation will be provided to AHS, FHS, GHS, HHS, JWMS, LOLHS, SLHS and RRHS. Drop off times at these locations will vary based on the distances from KTech to these schools, considering that students will depart at 4:30 p.m.

As an academic enhancement program that focuses on specific skills, if behavioral concerns or attendance issues develop, we reserve the right to reconsider a student's participation in this program.

Space may be limited. If you would like your child to participate in our ESD programs, please fill out the bottom portion of this letter, and return it to Mr. Williams as soon as possible.

Your student can start attending extended day as soon as they submit an application.

Sincerely,

Eric C. Williams,
Assistant Principal, Wendell Krinn Technical High School

- I would like my child to be considered for participation in the Extended Day Program. I understand that she/he would need to attend consistently and follow classroom rules. I also understand that I will be contacted when and if the program is available.*
- I would prefer that my child not be considered for the Extended Day Program at this time.*
