

Name: _____ Parking permit number: _____

Student number: _____

Method of payment: _____

Senior Parking Spaces

- Senior parking spaces will be sold for \$30 online via RYCOR. You must purchase your parking space prior to painting day (Tuesday, August 18, 2020).
- **The space is purchased in addition to a parking permit.**
- This space is designated to a senior no matter what day, even if they aren't here. Anyone who parks in a senior's designated space will be booted and may lose parking privileges.
- Each senior can decorate the entire space up to the painted lines with appropriate paint and an appropriate message or image.
- The paint must be bought by the senior and brought in on the designated space painting day. Paint brought in must be latex paint or water based.
- If the space is painted inappropriately, the senior will lose the spot. It will be painted over without refund. Parking privileges may be revoked for the rest of the year.
- You may not vandalize anyone's parking space. Vandalizing someone's spot will result in the loss of parking privilege.
- All designs must be approved by an administrator before being painted.

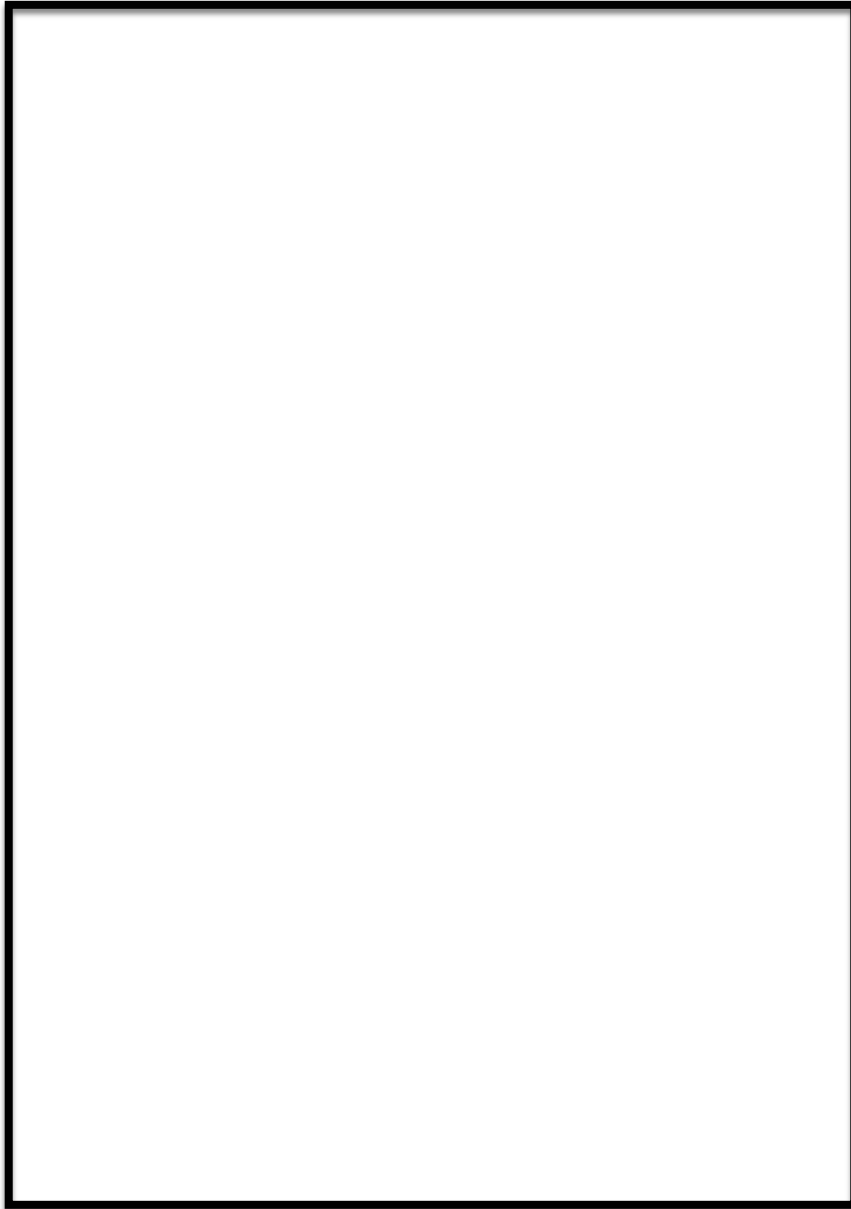

By signing this, I acknowledge the rules and regulations of the WKTHS parking space privilege. If I break any rules, I understand I will receive no refund, my car may be booted, and I will lose parking privileges.
