2020-21 Title I Parent and Family Engagement Plan

School's Vision for Engaging Families:

We believe in the importance of a partnership between home and school for the education of our students. We will maintain open communication with newsletters, planners, phone calls, streaming informational videos and parent/teacher conferences. We will attempt to communicate in a language parents can understand and make parents more aware of the services offered by the Florida Parent Information and Resource Center. Parents and other family members are encouraged to participate through family events, volunteering and mentoring. By working together, we will make a difference in the lives of our students.

How do parents/families provide input on Title I programs?

By completing our annual Title I parent/family survey accessible via our website. The link to this survey is also emailed out to all parents and posted on our website and social media sites. Also, parents can provide input as part of annual planning processes by joining our School Advisory Council (SAC).

What types of plans do parents/families provide input for?

Our annual School Success Plan (SuP/SIP), Title I Parent/Family Engagement Plan (PFEP), Title I Parent Compact, Wellness Plan, and on how School Improvement Funds/School Recognition Funds are used.

When is the annual Title I Parent Night?

Due to COVID-19 restrictions, our Annual Title I Parent Night will be held virtually (via Zoom) prior to our annual College Financial Aid Parent Night on Wednesday, Oct. 14.

What types of things did we spend our Title I funds on for 2020-21?

Based on stakeholder input, we used our Title I funds to pay salary/fringe benefits for an additional discipline assistant, to support our extended day (after school programs), to purchase materials/supplies to support recruiting and family engagement events, and to purchase additional technologies.

What did we spend our required 1% for parent/family engagement activities on?

This portion of our Title I funds was used to pay printing and postage costs associated with our three annual parent/family engagement events where parents/families can learn more about how to better support their students' successes in school.

Who do I contact if I have questions or want to learn more about Title I?
