

KTech 2022-2023 SIP at a Glance

Goal #1 – Standards-Based Grading (High Impact Instruction/Data-Focused Decisions/Collaborative Culture)

Adopt common grading practices and implement standards-based grading to improve alignment between students' course grades and assessment results.

Goal #2 – Improving PLCs (High Impact Instruction/Data-Focused Decisions/Collaborative Culture)

Develop teacher competencies to implement MTSS by engaging them in continuous improvement cycles as part of professional learning communities (PLC), including use of formative assessments to identify learning gaps, provision of differentiated supports, reteaching, enrichment, and reassessing to measure student growth.

Goal #3 - Stakeholder Communication & Engagement (Collaborative Culture)

Improve communications between teachers and parents regarding student achievement.
